The next SBE Chapter 80 meeting is Tuesday, April 19 at the Out O Town Club at Noon. If you can't attend in person you can [Click here to join the meeting](#) from your computer or mobile app.

Chairman's Corner

I have been a member of SBE since 2010. Early on, I “lurked”. At first all I did was carry the card. Later I showed up for meetings but stayed quiet and just listened. It took some kind words from Steve Brown to get me motivated to really get involved. (Thanks again for those words, Steve). My point is that it takes current members to help the SBE grow. Your words to encourage to another in the industry to become a member really can make a difference. And now through May 31st the SBE Membership Drive continues. Recruiting a member can even get a reduction in your 2023 dues. Consider sharing the benefits of SBE and help strengthen chapter 80 in a new way.

NAB Show in Las Vegas is Just Ahead

The 2022 NAB Show begins on April 23. The SBE will again have a major presence at the convention, including the SBE Member Meeting, an SBE Ennes Workshop at the Broadcast Engineering and IT Conference, an exhibit booth, a meeting of the board of directors and several committee meetings. See the [SBE@NAB](#) page at sbe.org for all the details. Look for Lobby Booth LN4.

SBE Compensation Survey

Through May 16, 2022, the Society of Broadcast Engineers will conduct a survey to determine salary levels and benefits among broadcast and media technology engineers. The complete results of the survey will be available at no charge to SBE members as a benefit of membership. A [link to the survey](#) is posted on the SBE website.

Membership Renewal Deadline was April 1st (But...it's not too late).

Membership Dues were due April 1, so if you haven't done so already, renew now. Traditional membership is still only \$85. Consider upgrading to the SBE MemberPlus level for \$175, which gives you unlimited access to all Webinars by SBEat no additional cost. Student membership stays at \$25. SBE Student and Life Members may choose to add the SBE Student MemberPlus or Life MemberPlus option for \$90. You can renew by returning your form or online at sbe.org.
