There will be no chapter meeting in June due to the WBA Summer Conference. Stay tuned for info on the annual picnic in July coming soon.

### Chairman's Corner

Hello, will try to be brief this month as I know everyone is very busy. Be sure to include some Chapter 80 activities in your summer schedule. There are many opportunities to meet and chat up your fellow broadcast engineers in our region, and that is something that will surely pay dividends in your career.

It is not too early to block some time and make your reservations for the October 2019 Broadcast Clinic in Madison. We will be seeking a few volunteers to staff the booth and possibly assist the SBE National Meeting Webcast, so please consider volunteering a couple hours of your time if you will be attending. There will be an excellent program this year so don't miss it!

Hope to see many of you at the Wisconsin Broadcasters Association Summer Engineering Day sponsored in part by the four Wisconsin SBE Chapters. Although the program may look like a bit of a departure from the usual, we think it will be a strong program offering some great perspectives to all broadcast engineers. I am looking forward to it and I am sure you will find it worth the investment of your time. And attendance there will count as your local Chapter 80 meeting credit for June.

Thanks,

Steve Brown

**Chairman, Chapter 80**

### National SBE News

Nominations for SBE individual and chapter awards are open through **June 14**. Chapters can nominate their own chapter and members for various awards. That includes the Chapter Engineer of the Year. Each chapter's Chapter Engineer of the Year winner is then in the running to be named the national James L. Flanders SBE Engineer of the Year.
