Foundation

## Gary Mach Excellence in Media Fund

The Gary Mach Excellence in Media Fund is inspired by Gary's achievements in broadcast engineering as he served several media organizations, businesses, charitable organizations, and most of all, UW-Green Bay and public broadcasting in Wisconsin. Through Gary's work in television production at the then fledgling Green Bay campus, he created opportunities to learn and grow for generations of broadcast engineers. Professional

development was always a high priority for Gary and the people who worked alongside him. This fund seeks to continue Gary's legacy on the campuses of UW-Green Bay by supporting facilities, creating opportunities, and offering financial support for students who aspire to professional careers in media. Harvey Arnold '75 provided seed funding and seeks alumni and media advocates to celebrate Gary's legacy with additional contributions.

The goal is to build the fund balance to a minimum of \$25,000 so that as an endowed fund it can annually provide a student with a \$1,200 scholarship. Any additional dollars will be used for additional scholarships and projects or equipment for media programming. Each year, the University may appeal to alumni and friends for contributions to the Gary Mach Excellence in Media Fund to add to the cash dollars available for more scholarships and other media needs.

To support the Gary Mach Excellence in Media Fund by mail, send checks to:  
UW-Green Bay Foundation (write Gary Mach Fund in memo line)  
2420 Nicolet Drive  
Green Bay, WI 54311

[Donations can also be made online](#)
